Daniel Pham	Culture interview	Active	64 / 100
Linh Tran	Sourced	Active	62 / 100
Minh Le	Sourced	Active	61 / 100
An Nguyen	Sourced	Active	60 / 100
TD Tuan Do	Approaching	Active	34 / 100

AI summary

A reasonable fit for the Senior Software Engineer role, with strong Python and Java skills. Collaboration and adaptability in Agile teams stand out. Gaps in skills match and relevant experience may need support at senior level.

Skills match	15 / 30
Relevant experience	18 / 30
Role fit	11 / 20
Qualifications	10 / 10
Practical fit	10 / 10
Match score	**64 / 100**
